We will of course, endeavour to minimise any disruption and will continue to send you updates, as well as place updates on the notice boards located on the site hoardings as works progress.

We would like to thank you for your continued patience throughout our contracted works. We are always keen to improve our relationship with our neighbours and those affected by our works and would welcome any suggestions you may have.

If you have any queries or would like to know more about the site or about The O'Keefe Group, please do not hesitate to contact me Jason Beard; the Project Manager or Dave Foley; Contracts Manager or our main office on any of the details provided. I have listed our general site activities for the next two weeks ahead.

Yours sincerely,
