

Site Office & Welfare Facilities on Brixton Hill

Further to our monthly newsletter which you will have received last week, we are writing to remind you about the lifting of the McAlee & Rushe site office and welfare cabins onto the newly constructed gantry on Brixton Hill.

These approved works will commence on 8th December and the lifting operations will take place from 9pm to 5am as agreed with TfL.

During these lifting works Traffic Marshals will be on site to ensure the safe movement of pedestrians.

We apologise in advance if these works cause any disruption to our neighbours. If you have any queries before the works commence, please contact our Community Engagement Manager, Carole Pridmore by phone or email below.
